Doctoral school of Automatic Control and Computers

**Faculty of Automatic Control
and Computers**

TO:

Mrs Adriana Țăpuș

Associate Professor

Department of Computer Science

École Nationale Supérieure de Techniques Avancées – ParisTech

32 Boulevard Victor, 75015, Paris, France

Date: 23.11.2012

We hereby confirm the agreement of the Doctoral school of Automatic Control and Computers, University Politehnica of Bucharest and of the UBM Council for Doctoral Studies – CSUD to affiliate you as Ph.D. coordinator in this Doctoral school.

Starting with 1.12.2012 you have been accepted as member of the Doctoral school of Automatic Control and Computers to coordinate Ph.D. theses in the doctorate domain “Computers and Information Technology”.

În conformitate with the Decision no. 5961 din 08.10.2012 of the Romanian Ministry of Education, Research, Youth and Sports granting you the quality of Ph.D. coordinator in the doctorate domain “Computers and Information Technology”, you are authorized to effectively supervise doctoral student starting with the academic year 2012-2013.

The Director of the Doctoral school
Automatic Control and Computers of UPB

Prof. Dr. Eng. Theodor Borangiu
